1. G.O. (Ms.) No.290, Health and Family Welfare (PME) Department, dated 16.11.2011.
2. Government Letter (Ms.) No.18 / N1 / 2011, Health and Family Welfare Department, dated 11.01.2012.
3. Government Letter No.40473 / PME-2 / 2016-1, Health and Family Welfare Department, dated 03.11.2016.
4. G.O. (Ms.) No.270, Health and Family Welfare (PME-2) Department, dated 01.09.2022.

ORDER :

At present proposals for tie-up arrangements for clinical training and field practices with Government Medical College Hospitals, Government Headquarters Hospitals / Government Taluk and Non-Taluk Hospitals and Primary Health Centres in respect of Nursing and Pharmacy programs in private paramedical institutions are received from the respective Heads of Departments and then orders issued at Government level. However, upon review, it was found that this multi-layered process is leading to delays due to the extensive paperwork required at every level.

2. With a view to enhance efficiency, transparency and expedite the process, the Government have decided to decentralize the authority for granting permission for tie-up arrangements for clinical training and field practice. Accordingly, the Government hereby order that the power to grant permission for tie-up arrangements for clinical training and field practice in respect of Nursing and Pharmacy programs in private paramedical institutions with Government Medical College Hospitals be vested in the Deans of the respective Government Medical Colleges. Similarly, for tie-up arrangements with Government Headquarters Hospitals, Government Taluk and Non-Taluk Hospitals, and Primary Health Centres, the authority shall be vested in the respective Joint Director of Health Services / District Health Officer.

3. The Government further direct the Heads of Departments to implement an online application system for clinical tie-up approvals with Government Medical College Hospitals, Government Headquarters Hospitals, and Primary Health Centres, to enhance transparency and ensure timely issuance of orders.

4. The Director of Medical Education and Research, Director of Medical and Rural Health Services, and Director of Public Health and Preventive Medicine are instructed to facilitate the implementation of these changes.

(BY ORDER OF THE GOVERNOR)

**SUPRIYA SAHU,
ADDITIONAL CHIEF SECRETARY TO GOVERNMENT**
